Last, but certainly not least, a big thank you to our delightful honorary chair, Sheila Coles, to our Race for Recovery Committee and to all the volunteers who contributed their time, talents, and skills in stuffing envelopes, marshalling, training new runners, soliciting prizes, cooking, timing, face painting, counting cash, taking registrations, running errands and myriad other tasks to make the 14th Annual Race for Recovery such a success. HOPE appreciates your enthusiasm, commitment, and continued support.
